

Traffic during Easter 2025

Before the upcoming Easter holiday, we would like to remind our customers to plan and book deliveries in advance. Below, you will find general information on loading days from NTEX for deliveries before Easter. Loading during Easter week may be possible, subject to unit availability, but will result in arrival after Easter. If specific loading/unloading dates are required, these must be explicitly stated in the booking. Please check with your local NTEX contact for further details.

Please note that unit capacity and ferry space are limited during public holidays. NTEX reserves the right to pass on any additional costs in cases where our suppliers have adjusted lead times and capacity during this period.
